Come and talk with the PI's!  
Experiences, difficulties, resilience  
strategies, and more!

Paola Cerrito - UZH

Nov. 20<sup>th</sup>, 9-11AM - Location TBA (Oerlikon)

Paola Cerrito is an assistant professor in human evolution at the University in Zurich. Right after completing her PhD in 2020, she had the chance to lead her own independent research project, at the Collegium Helveticum. How did this rare opportunity shape her career? Come and ask about it in this Career Conversation!
